# FACULTY DEVELOPMENT PROGRAMME

Seven days online workshop

on

*“Fundamentals of Microbiology”*

**12 – 18 MAY 2021**

(10am – 02pm)

## **Practical Sessions**

Antimicrobial Assay

Antagonistic Activity

Primary metabolite Production (Citric acid)

Secondary metabolite Production (Biosurfactant)

Identification of Microbes by Multiplex PCR

Molecular Characterisation of Microbes

Registration fee: ₹ 1,000/-

No of Seat: 50

Selection process: First come first serve

Eligibility: Teacher/Research Scholars/PG Students

Department: any department of Life Sciences
